**NOTICE OF PROPOSED
ADMINISTRATIVE FINE
No. AF 04-066**

September 7, 2004

I. INTRODUCTION

This Notice of Proposed Administrative Fine and Hearing is issued by the Department of Environmental Services, Waste Management Division ("the Division") to Ziad Elkhoury, pursuant to RSA 146-C and Env-C 607. The Division is proposing that fines totaling \$1,700 be imposed against Ziad Elkhoury for the violations alleged below. **This notice contains important procedural information. Please read the entire notice carefully.**

II. PARTIES

1. The Department of Environmental Services, Waste Management Division, is an administrative agency of the State of New Hampshire, having its principal office at 29 Hazen Drive, Concord, NH 03302.
2. Ziad Elkhoury is an individual having a mailing address of 83 Milton Road, Rochester, NH 03867.

III. SUMMARY OF FACTS AND LAW SUPPORTING CLAIMS

1. RSA 146-C authorizes DES to regulate the installation, maintenance, operation, and closure of underground storage facilities. Pursuant to RSA 146-C:9, the Commissioner of DES has adopted New Hampshire Administrative Rules Env-Wm 1401 to set forth the requirements for underground storage facilities by "establishing criteria for registration and permitting, and standards for design, installation, operation, maintenance, and monitoring of such facilities."
2. RSA 146-C:10-a authorizes the Commissioner of the Department of Environmental Services ("DES") to impose administrative fines of up to \$2,000 per offense upon any person who violates any provision of RSA 146-C or any rule adopted under the provisions of this chapter. Pursuant to RSA 146-C:10-a, the Commissioner has adopted Env-C 607 to establish the schedule of fines for such violations.
3. Ziad Elkhoury is the registered facility owner of three 4,000-gallon gasoline underground storage tanks ("UST") at the Charlies facility ("the Facility"), further identified as UST #0-112475 located on real property at 83 Milton Road in Rochester, NH ("the Property").
4. The UST systems are subject to the requirements of RSA 146-C and Env-Wm 1401.

5. On May 19, 2003, a Division inspector conducted a compliance inspection at the Facility and noted compliance deficiencies which were identified in a report (the "Report") issued to the Facility representative at the time of the inspection.
6. The Report notified the Facility that compliance was to be achieved within 30 days of the date of the inspection and verification of compliance submitted to the Division within 45 days of the date of the inspection. The Report was signed by Jess Futterleib on behalf of the Facility.
7. The Report also included a UST Facility Summary of Deficiencies identified at the time of the inspection. Among those deficiencies identified, the following were not corrected within 45 days after the inspection was performed:
 - a. Inventory monitoring records for all three USTs were not maintained; and
 - b. A record of the impressed current corrosion protection system readings was not maintained.
8. Env-Wm 1401.11(a) requires the owner of an underground storage facility to conduct inventory monitoring for each underground storage tank, and to maintain separate records for each tank and interconnected system.
9. Env-Wm 1401.32(c) requires corrosion protection systems to be tested within six months of installation and every three years thereafter.

IV. VIOLATIONS ALLEGED AND PROPOSED ADMINISTRATIVE FINES

1. Elkhoury has violated Env-Wm 1401.11(a) by failing to maintain accurate stock inventory records for all three USTs in accordance with RSA 146-C:5 and Env-Wm 1401.11. For this violation, Env-C 607.05(a) specifies a fine of \$500 per requirement not met or \$1,500 for the Facility.
2. Elkhoury has violated Env-Wm 1401.32(c) by failing to maintain a record of the impressed current cathodic protection system readings. For this violation, Env-C 607.04(b) specifies a fine of \$200 per requirement not met.

The total fine being sought is \$1,700.

V. REQUIRED RESPONSE, OPPORTUNITY FOR HEARING

Pursuant to Env-C 601.06, Ziad Elkhoury is required to respond to this notice. Please respond no later than October 6, 2004, using the enclosed colored form.

1. If Ziad Elkhoury would like to have a hearing, please sign the appearance section of the colored form and return it to the DES Legal Unit, as noted on the form. A Notice of Scheduled Hearing will be issued.
2. If Ziad Elkhoury chooses to waive the hearing and pay the proposed fine, please have the

authorized representative sign the waiver (lower portion) and return it **with payment of the fine** to the DES Legal Unit.

3. If Ziad Elkhoury wishes to discuss the possibility of settling the case, please have the authorized representative sign the appearance and return it to the DES Legal Unit **and** call the DES Legal Unit to indicate Ziad Elkhoury's interest in settling.

Ziad Elkhoury is not required to be represented by an attorney. If Ziad Elkhoury chooses to be represented by an attorney, the attorney must file an appearance and, if a hearing is held, submit proposed findings of fact to the person conducting the hearing.

VI. DETERMINATION OF LIABILITY FOR ADMINISTRATIVE FINES

Pursuant to Env-C 601.09, in order for any fine to be imposed after a hearing, the Division must prove, by a preponderance of the evidence, that Ziad Elkhoury committed the violations alleged and that the total amount of fines sought is the appropriate amount under the applicable statute and rules. Proving something by a preponderance of the evidence means that it is **more likely than not** that the thing sought to be proved is true.

If the Division proves that Ziad Elkhoury committed the violations and that the total amount of fines sought is the appropriate amount under the applicable statute and rules, then the fine sought will be imposed, subject to the following:

* Pursuant to Env-C 601.09(c), the fine will be **reduced by 10%** for each of the circumstances listed below **that Ziad Elkhoury proves, by a preponderance of the evidence**, applies in this case:

1. The violation was a one-time or non-continuing violation, **and** Ziad Elkhoury did not know about the requirement when the violation occurred, **and** the violation has not continued or reoccurred as of the time of the hearing, **and** any environmental harm or threat of harm has been corrected, **and** Ziad Elkhoury did not benefit financially, whether directly or indirectly, from the violation.
2. At the time the violation was committed, Ziad Elkhoury was making a good faith effort to comply with the requirement that was violated.
3. Ziad Elkhoury has no history of non-compliance with the statutes or rules implemented by DES or with any permit issued by DES or contract entered into with DES.
4. Other information exists which is favorable to Ziad Elkhoury's case which was not known to the Division at the time the fine was proposed.

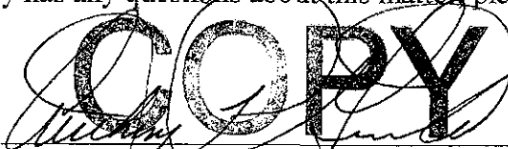

*******IMPORTANT NOTICE*******

An administrative fine hearing is a formal hearing. Any hearing will be tape recorded, and all witnesses will testify under oath or affirmation. At the hearing, the Division will present testimony and evidence to try to prove that Ziad Elkhoury committed the violation(s) alleged above and that the fine(s) should be imposed.

The hearing is Ziad Elkhoury's opportunity to present testimony and evidence that Ziad Elkhoury did not commit the violation(s) and/or that the fine(s) should not be imposed, or that the fine(s) sought should be reduced. If Ziad Elkhoury has any evidence, such as photographs, business records or other documents that believe show that Ziad Elkhoury did not commit the violation or that otherwise support Ziad Elkhoury's position, Ziad Elkhoury should bring the evidence to the hearing. Ziad Elkhoury may also bring witnesses (other people) to the hearing to testify on Ziad Elkhoury's behalf.

If Ziad Elkhoury wishes to have an informal meeting to discuss the issues, Ziad Elkhoury must contact the DES Legal Unit at (603) 271-6072 to request a prehearing conference.

Information regarding this proposed fine may be made available to the public via the DES Web page (www.des.state.nh.us). If Ziad Elkhoury has any questions about this matter, please contact the DES Legal Unit, at (603) 271-6072.

Administrative Fines of the Department of Environmental Services

The Commissioner of the Department of Environmental Services (DES) is authorized by several statutes to impose administrative fines for certain violations of those statutes. In order to implement this authority, the Commissioner has adopted rules which specify the procedures for notifying people that a fine is being proposed and which specify the fine amount for any given violation. These rules are identified as Chapter Env-C 600.

Administrative fine proceedings follow a defined path. The first step is for a Division of DES to issue a Notice of Proposed Fine. The Notice will inform you of the violations the Division believes you have committed, together with the dollar amount of the fine that is being proposed. At this point, a final decision as to whether to impose the fine **has not been made** ... the Notice simply initiates the proceeding. The Notice will also inform you that you have a right to have a hearing before a final decision will be made, and may give a date and time for the hearing.

The Notice you receive will have a page attached to it on which you can indicate whether you will attend a hearing or whether you are waiving your right to a hearing and paying the fine which has been proposed. **YOU MUST COMPLETE AND RETURN THIS FORM.** The worst thing you can do if you receive a Notice is to ignore it! Under the rules which have been adopted, the case can proceed even if you don't respond. In order to achieve the best result, you must participate in the process.

When you receive a Notice of Proposed Fine, if you are interested in trying to settle the case without going to a formal hearing you should contact the person identified in the Notice. Many fine cases are settled in this way, often with a lower fine, a payment schedule, and/or a suspended fine. The negotiations need to start soon after the Notice is received, though. Don't wait until the day scheduled for the hearing to ask about settling the case.

If the case proceeds to a hearing, the Commissioner will designate a person to serve as a hearing officer to preside at the formal hearing. The hearing officer will not have prior knowledge of the Division's allegations, and will be neutral insofar as the outcome of the case is concerned. At the hearing, the Division will be required to prove that the violation(s) occurred and that the proposed fine is warranted. You will have an opportunity to ask questions of (cross-examine) the Division staff, and also present your own evidence, including testimony of witnesses if you wish, to show why the fine should not be imposed.

(over)

After the hearing is over, the hearing officer will compile the record (i.e. all of the information that was received at the hearing) and will make a recommendation to the Commissioner as to whether or not the fine should be imposed. The Commissioner will make a decision based on the evidence and testimony, and the decision issued by the Commissioner will specifically state the reasons for the decision.

The rules adopted by the Commissioner require the proposed fine to be reduced in certain circumstances, which are listed at Env-C 601.09. These include that you have not previously violated a law or rule implemented by DES, or that you acted in good faith. The Commissioner also has the discretion to allow you to pay a fine on a payment schedule, and/or to suspend all or a portion of the fine conditional upon remedying the underlying violation or staying in compliance with DES requirements for a specified period of time.

Sometimes people are concerned that the findings and rulings made by the Commissioner might be used against them in a separate proceeding (for instance, if their neighbor sues them for damages arising out of the same violation(s) for which they are being fined). In such a case, DES has accepted payment of the fine with a specific denial of liability. This is like pleading "no contest" to a traffic ticket: you pay the fine assessed, but are not admitting that you did anything wrong.

This fact sheet is intended as a basic source of information concerning DES administrative fines. It is not intended to replace the laws and rules regarding administrative fines, but merely to provide a summary of them.
